

## Pricing

Option	Price	Paid By	Information
Website Design	£300.00	Invoice	Optional - You may supply your own design if you prefer although we recommend you to use our professional designers for the most professional finish.
Website Coding	£500.00	Invoice	Required – This is the standard website coding charge and covers a maximum of 24 hours coding time.
Bespoke Coding	£25.00 per hour	Invoice / 5 Credits	Optional - Just because we do not list a feature you might desire then that doesn't mean we won't code it for you. Ask and we can amend, change or update anything you want at our standard hourly rate billed by the 30 minutes.
Forum Installation	£100.00	Invoice	Optional - If you decide to have a forum then this charge applies for the installation and style changes to make the forum blend in with your design.
Paypal Shop Installation	£100.00	Invoice	Optional - If you decide to have a Paypal shop then this charge applies for the installation and style changes to make the shop fit in with your design.
Monthly Powering Fee	£5.00	1 Credit	Required - This 'powering charge' is what allows our database to display information on your website. It is payable by buying credits through our backend system.
Monthly Hosting Fee	From £5.00	From 1 Credit	Optional - If you wish for us to host your website on our servers then we can do this for as little as 1 credit per month.

1 Credit = £5.00 (£5.88 inv. VAT)
